From the desk of
DRS. DAVID and ETHEL

11/27/98

Dear Alma,

The photocopies of the Wall of Fame are all I could find. Joe Dabrowsky, who was there as a former recipient, snapped the pictures. To the left of my photo is Julius Rivers, and to the right is Dr. John Munroe, emeritus professor of history of U. of De.

The program had no mention of our names. The script under my photo is an abstract of my C.V. Harold's must be similar.
